

NCCWMA 2019 July 18-21, 2019

But first ... Volunteer Training

We are excited that you will be volunteering at The North and Central America and Caribbean Region of World Masters Athletics 2019 Championships (NCCWMA).

Many of you have volunteered at other events, and we welcome your expertise and your input.

As part of our commitment to providing an energetic and well-organized event, we want to ensure that we provide volunteer training to all our volunteers. **Our volunteer training is designed to provide general orientation and job-specific training in one session.** We ask all volunteers to attend one training session. If you are a student, your volunteer training contributes to your volunteer hours.

Why attend volunteer training? It's an opportunity to:

- Tour our venues, where you will be volunteering with us in July
- Meet other volunteers and officials in advance
- Learn about NCCWMA 2019
- Benefit from job-specific training in advance.

We have set aside several dates for training. Please find a date that is convenient for you and register in advance for volunteer training.

Steps to Registering for Volunteer Training:

1. All volunteers must attend at least one training session related to the job that they have chosen.
2. Decide on a volunteer area that interests you (Field of Play, Non-Stadia races, Event Support Services, Administration or Operations). Descriptions of these areas are below.
3. Check the Volunteer Orientation and Training Schedule below to find out when training will be held in your chosen area.
4. Choose a session to attend and register in advance using the volunteer portal. Link:

Four Volunteer Areas

Field of Play

Assist on the Field of Play (track and field) with physical tasks including measurement, lap counting, setup of equipment and assisting officials as directed.

Non-Stadia Races

Assist to operate the Non-Stadia events of road running, race walking, cross country running. Includes course marshals, water stations, athlete check-in and bag check, finish line.

Event Support Services

Host and provide customer services to athletes and guests to offer a memorable experience for all. Includes Welcome Centre, Way Finding, Security, Ceremonies, Food & Beverage, Special Events.

Administration

Work behind-the-scenes to prepare and communicate aspects of the Meet including Accreditation/Bibs, Venue Decorations & Signage, Languages (Spanish/French).

Operations: Physical and ongoing tasks to set up and operate areas outside the Field of Play including Move In & Move Out of equipment, Transport equipment to other venues, Distribute Water to Athletes and Officials, Post Results, Award Ceremonies
